Gillian Armour is a style expert. As a certified International Image Consultant she understands the impact of image on self esteem and on career. She is the author of several books on image, *Clothing Coordination Made Easy*, *A Glamour Girls Guide to Looking Gorgeous and Challenge*, *Asian Body Type*. She is a certified member of the Association of Image Consultants and a Certified Color Analyst specializing in ethnic skin coloring. Over the years she has successfully transformed hundreds of clients.

As a professional speaker, Gillian has presented seminars and programs to professional associations (both regional and national), military organizations and Fortune 500 companies. She has been featured in many newspapers and journals and is a widely sought expert for image and fashion related articles. She has made television appearances on the award winning NBC show "Dream Makeover Hawaii" as the official image consultant and stylist for the show.

Her career in retail fashion reaches back 25 years and includes executive and managerial positions. She has produced and commented fashion shows, photography shoots and television commercials. As gallery director of her own gallery for five years she has produced jewelry and art shows. Additionally she has styled for television miniseries and celebrity personal appearances.

Gillian maintains a fashion consulting business in Santa Fe, New Mexico. She is the founder of "Best Dressed" a New Mexico non-profit organization benefiting women and teens from economically challenged backgrounds.
